A Father's Day gift guide provides shopping inspiration, especially if the gift guide includes items from dedicated online shopping website featuring more than 650 online stores and catalogs.

(PRWEB) May 17, 2010 -- Give five avid catalog shoppers a list of dads, 650 online catalogs and a looming deadline. End up with gift ideas for every dad, from personalized poker bar glasses to a cedar-lined cigar case. Their very best ideas and shopping deals are featured

in the [Catalogs.com 2010 Father's Day Gift Guide](#).

"Dads come in all ages, all sizes and all personalities, and Catalogs.com is the place to find exactly what you are looking for, even if you don't know it until you see it," says [Catalogs.com](#) co-founder, Leslie Linevsky.

"Many people stress about choosing a gift for someone, so we try to think out of the box and do some creative shopping. Someone here said, 'How about these cool skateboards,' and what better gift for a young, first-time dad? We spend every day working with great catalogs and shopping Web sites, so we all are 'expert shoppers.'"

Items on the Father's Day Gift Guide cover a wide range of hobbies, interests and budgets. At the luxury end

of the spectrum is a remote control Ferrari boat from Hand Crafted Model Ships, on sale for \$699. At the opposite end of the price spectrum, the gift guide features a digital photo keychain, from HandStands, for \$29.99. The Father's Day Gift Guide covers motorcycle gear, spa supplies, jewelry, golf gadgets and tools.

For inspired gift-giving, the internet delivers thousands and thousands of shopping options. A gift guide is a great tool to guide your search. If the ideas on a gift guide don't fit, they serve to send a shopper browsing in the right direction. A gift for a dad, stepdad or a grandfather should show that someone spent time looking for just the gift that he will truly enjoy.
